April 2, 2008

To Whom it may concern:

As most of you know, we are a small local club that promotes safe but fun four wheeling and family outings. We meet once a month and have at least one run a month. Most of our runs are local, but we do have camp outs during the summer. We have a group that does a run at major trails such as the Rubicon with the more modified machines. The vehicles in our club range from Monteros, Toyotas and Samurais to modified Jeeps, trucks and other vehicles. Our objective is to assist where needed and work to keep public lands open to the public. We participate in the "Tread Lightly" program and only drive where allowed. Our organization is non-profit in character, bringing together and promoting the interest of family 4-wheeling as well as enjoying and maintaining our country's natural resources.

On September 14th, 2008, we are planning our 9th annual clean up at the Eel River under Fernbridge. We plan on removing all foreign objects from the river bar, including appliances, cars, and other miscellaneous garbage. We will be out there all day and we are planning on having a free lunch and raffle for all those who help. We are looking for donations from the community to assist in our efforts to clean up this area. It would greatly be appreciated if we could count on you to help us with a financial donation, raffle prize or help in arranging for dumpsters or equipment to be used on site.

Many of you have donated in the past, and without your help, this cleanup would not be possible.

If you have questions or need more information, please call:

Richard Oliver (Vice President) at (707)725-1197 or (707)599-9259
Bruce Fillman (Secretary) at (707)764-3694 or (707)267-5668
Robert McInroy at (707)599-7818
Eric Pettit at (707)407-5242
Barry Johnson at (707)443-4406
Carl Brandt (President) at (707) 442-7395

Thank You,

Carl Brandt
